

FLOOR CARE *Solutions*

MIGHTY SPARKLE™ FLOOR STRIPPER

HEAVY-DUTY, LOW-ODOR STRIPPER

- Quickly and easily handles tough stripping jobs
- Works without the harsh ammonia fumes found in other strippers
- Safe for use on all floors, including asphalt tiles and asphalt plank

CARE FOR WORK ENVIRONMENTS®

MIGHTY SPARKLE™ FLOOR STRIPPER HEAVY-DUTY LOW ODOR STRIPPER

TACKLE TOUGH STRIPPING JOBS WITH EASE

Mighty Sparkle Floor Stripper is a high-performance floor finish stripper great for large areas and multiple layers of old, tough, or hardened finish. It leaves a clean, bare surface – the perfect foundation for a deep, glossy shine. Excellent for use with automatic floor machines for labor-saving efficiency.

PERFORMANCE WITH LOW ODOR

Mighty Sparkle Floor Stripper works without the harsh ammonia fumes found in most common strippers. It also contains State's Morning Fresh™ fragrance making obnoxious odors a thing of the past. This is especially important for schools and healthcare settings or in confined spaces where odors can be a problem. Additionally, Mighty Sparkle Floor Stripper contains no butyl which makes it safe on older asphalt tiles and asphalt plank.

DIRECTIONS FOR USE:

Please review label and SDS for all product directions, precautions and first aid information prior to using this product.

1. Dust mop or sweep floor.
2. For mop-on application: Dilute 1 part **Mighty Sparkle Floor Stripper** to 5-8 parts warm water. For autoscrubber application: Dilute 1 part **Mighty Sparkle Floor Stripper** to 10 parts warm water.
3. Apply stripper solution generously to floor and let stand for 5-10 minutes. If needed, re-apply stripper to areas that dry back.
4. Scrub with a black pad and 175-300 RPM rotary floor machine or autoscrubber.
5. Pick up solution with a wet vacuum or mop.
6. Rinse floor with clean, cool water. Multiple rinses may be needed.
7. Damp mop any marks left by foot or machine and allow floor to dry completely before applying finish.
