STATE FABRIC AND TEXTILE REFRESHER

ELIMINATE ODOR COMPLAINTS

State Fabric and Textile Refresher contains the strongest and most effective odor neutralizing technology available. Whether it is tough, set-in carpet or furniture odors, State Fabric and Textile Refresher has the power to eliminate any malodors in the area. Spray directly on fabric or directly onto the odor source to freshen any space and take away the smell.

UNSCENTED OR LOW-FRAGRANCE OPTIONS

The nontoxic, VOC-compliant formulas range from unscented to subtle, making them ideal for used in shared spaces.

- State Fabric and Textile Refresher Unscented has no chemical scent and is recommended for any space where fragrance is unwelcome.
- State Fabric and Textile Refresher Clean has a subtle scent and is best used in spaces where light scents are desired.

Both formulas are free of dye and safe for use on fabric, carpet, upholstery, curtains and other surfaces that trap odors.

READY-TO-USE

Packaged in a convenient quart bottle, State Fabric and Textile Refresher works immediately to freshen any space including patient rooms, musty gyms, locker rooms and more.

DIRECTIONS FOR USE

Spray product onto fabric to eliminate odors. Multiple sprays may be necessary to completely neutralize odors, but no odor will be left behind. Apply as often as needed depending on the severity of the odor. Test in an inconspicuous area before use.

FOR USE ON FABRIC:

Spray directly onto fabric odor source. This includes carpet, curtains, cloth couches/furniture, etc. Safe for use on fabric that is not sensitive to, or affected by, water.

FOR USE ON ORGANIC MATTER:

Spray generously onto garbage, soiled linens, vomit, etc. to eliminate the malodors at their source.

Please review label and SDS for all product directions, precautions and first aid information.
