CARE FOR WORK ENVIRONMENTS®

Quick DEFENSE™

PEROXIDE RTU DISINFECTANT

EFFECTIVE AND EFFICIENT

Quick Defense™ Peroxide RTU Disinfectant is your facility's new disinfectant of choice when looking for a fast-acting solution. With a three-minute contact time, Quick Defense Peroxide RTU Disinfectant is ready to eliminate harmful bacteria and microorganisms that plague hard, nonporous surfaces. When in need of a sanitizer in non-food contact applications, Quick Defense Peroxide RTU Disinfectant has a one-minute contact time. Not only can you quickly sanitize or disinfectant your high touch surfaces, you can also deodorize malodors and inhibit mold growth, with this multi-purpose product.

EMPLOYEE SAFETY IN MIND

Formulated with safety in mind, allow State's Quick Defense Peroxide RTU Disinfectant to be your single step solution. According to the Occupational Safety and Health Administration, this convenient spray is considered non-hazardous, making it safer for your employees to handle than typical chlorine bleaches.

WIDE VARIETY OF APPLICATIONS

Quick Defense Peroxide RTU Disinfectant is intended for hospital, institutional, commercial and industrial use such as medical centers, nursing homes, bars, schools and colleges, correctional facilities and more. This hospital-grade disinfectant can be used on hard, nonporous surfaces, including:

- Kitchen appliances and counters (non-food contact)
- Bathroom fixtures
- Cabinets and countertops
- Chairs and desks
- Coils and drip pans
- Floors and walls
- Furniture

EPA-APPROVED

Quick Defense Peroxide RTU Disinfectant is a chlorine bleach-free formula approved by the EPA to be effective against:

Bacteria: Pseudomonas aeruginosa, Staphylococcus aureus, Salmonella enterica, Enterobacter aerogenes, Escherichia coli, Klebsiella pneumoniae, Methicillin Resistant Staphylococcus aureus

Viruses: Herpes Simplex Type 2, HIV-1, Influenza A/Hong Kong, Norovirus

Animal Viruses: Feline Calicivirus

NOTE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
